Explore NHA TRANG CITY

National Geographic Magazine voted Nha Trang Bay as one of the most beautiful bays in the world.

Nha Trang is a city in Khanh Hoa province, known as the most famous coastal tourist city in Vietnam because of its endless beaches, romantic blue water, and extremely white sand. There are many large and small islands, ancient relic complexes, and unique architecture. Nha Trang has long become an island paradise of Vietnam and Asia, an ideal place to travel, relax, meet, study and exchange cultures.

- Blessed by nature with
- unique & natural landscapes
 - rich seafood resources
 - mild climate
 - friendly people

Nha Trang is known not only for its beautiful beaches and clean air but also for its delicious local cuisine with a rich sea flavor. The best food in Nha Trang contributes to Nha Trang becoming a memorable destination for all tourists.
