

An Associate Professor position in the research field of Drug Delivery and Science  
at Kanazawa University, Japan.

The Faculty of Pharmacy at Kanazawa University strives to enhance education and research in pharmacy. To strengthen the research organization promoting the research project "Precision Medicine Research" listed in the pharmaceutical field, we invite applications for one position as an Associate Professor in the research field of Drug Delivery and Science according to the following guidelines.

1. Position

Associate Professor

2. Job description

(1) Education

Lectures of general education courses of bachelor's programs. Lectures, seminars, practical training, and graduation research at School of Pharmacy and School of Medical and Pharmaceutical Sciences. Specialized education and research guidance for students at Graduate School of Medical Sciences. You may be required to teach classes in English.

(2) Research

Research to develop drug delivery systems that contribute to the development of new cancer immunotherapy and to elucidate mechanisms in tumor immunology based on drug delivery science.

3. Scheduled starting date of employment

As early as possible on and after October 1st, 2025

4. Qualification requirements

- Applicant must have a doctoral degree.
- Applicant must have enough experience in the field of drug delivery science or tumor immunology, and be able to promote high-level education and research.
- Applicant should be passionate about teaching at the undergraduate and graduate (master's and doctoral) levels.

5. Required documents

- (1) Curriculum vitae (A4 or US letter size with an attached photo and showing e-mail address and academic society you belong to)
- (2) Summary of previous research (free format within 3 pages of A4 or US letter size)
- (3) Plan and commitment to education in pharmaceutical sciences and research (free format within 2

pages of A4 or US letter size)

(4) Achievement list (A4 or US letter size)

- Publications: Classify them into original papers, reviews, books, and list them in order of publication year (Mark the original papers for which reprints are to be submitted.). List the names of all co-authors in the order of publication, underline the applicant, and put a star mark on the corresponding author. For reference, the number of citations and the latest Impact Factor of the published journal should be added. For non-reviewed publications, this should be clearly indicated as “non-reviewed.”
- Conference presentations: List only invited lectures at academic conferences, symposiums, etc. in chronological order.
- Acquisition status of research funds: Divide the research funds obtained over the past 10 years into the following categories: Grant-in-Aid for Scientific Research (KAKENHI), grants for public research other than KAKENHI, and research funds by companies and foundations, etc. List the funding name, name of the research project, duration, and grant amount. Also, clearly state the principal investigator or co-investigators.
- Educational achievements: List the educational experience at universities and other educational and research institutions, and the research guidance experiences at graduate schools, etc.

(5) PDF files of 5 most significant research articles

(6) The names, affiliations, addresses, phone numbers, and email addresses of two referees

Applicants may be asked to come to Kanazawa University for interviews. Applicants must bear the expenses incurred in that case. Personal information is protected by the relevant Japanese law.

6. Deadline for application

Documents must arrive by 5:00 p.m. (JST) on Friday, May 16th, 2025.

7. Application procedures

Please send the application form by E-mail entitled "Application to an Associate Professor position in the research field of Drug Delivery and Science" to General Affairs Section of Faculty of Pharmacy and Cancer Research Institute Support Division, Kanazawa University.

※Please convert all documents to PDF files, combine them into a ZIP file, and send the ZIP file.

E-mail: [y-somu@adm.kanazawa-u.ac.jp](mailto:y-somu@adm.kanazawa-u.ac.jp), Tel: +81-(0)76-234-6840

As we cannot receive E-mails larger than 10 MB, please use an upload site if the size of the ZIP file exceeds 10 MB. Please write "Application to an Associate Professor position in the research field of Drug Delivery and Science" in the subject of the E-mail. Upon receipt of the E-mail, the administrative staff will promptly acknowledge it. Please contact the administrative staff by phone, if you do not receive a confirmation within two business days.

## 8. Contact information

Prof. Takashi NAKAMURA, The chair of recommendation committee

Tel : +81-(0)76-234-4479, E-mail: [tnakam@p.kanazawa-u.ac.jp](mailto:tnakam@p.kanazawa-u.ac.jp)
